

1. I didn't even expect you guys to be THIS interested!
2. So it wasn't like one on one date, cause we're in like a friend group?
3. So it was me and him and this other girl, so it was three of us.
4. Also this girl has a boyfriend already.
5. We were studying together and this girl left earlier than us because she had the part-time job at night.
6. So it was just me and him and we were about to go home, and I just didn't want to go home you know?
7. So I asked him, "do you want to get ice-cream together?"
8. Because that's what he asked me before and we went on a walk together before, so I did the same thing.
9. So we got ice-cream together and we went on a walk again.
10. I even asked him like, "do you want a bite of my ice-cream because it tastes different?"
11. But the conversation topic is still like our mutual friends.
12. I also tried, like, lightly touching his arm when laughing, but I don't know if he...that's it, that's all.
13. I don't know if he knows.
14. But wasn't that obvious?
15. You don't think that's obvious?
16. Anyways, I have no idea but, have a great day.
17. I'm going to meet him again, with another friend.
18. But yeah. Bye!
